Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual return for the year ended 31 March 2017

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. **Smaller authorities must approve Section 1 before Section 2.**
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Section 1 and Section 2 in order and in accordance with the requirements of the Accounts and Audit Regulations 2015.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2017, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication and public display of Sections 1, 2 and 3. You must publish and display the annual return, including the external auditor's report, by 30 September 2017.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Guidance notes on completing the 2016/17 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unexplained or unapproved amendments may be returned and incur additional costs.
3. **Smaller authorities must approve Section 1 on page 2 before approving Section 2 on page 3.**
4. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness and accuracy before sending it to the external auditor.
5. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
6. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
7. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
8. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
9. **You must inform the external auditor of the date set for the commencement of the period for the exercise of public rights.**
10. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2016) equals the balance brought forward in the current year (Box 1 of 2017).
11. Do not complete Section 3 which is reserved for the external auditor.

Matters reported

Order of signing the Annual governance statement (Section 1) and the Accounting statements (Section 2)

The Authority considered, approved and signed the Annual Governance Statement (Section 1) on 10 May 2017 under minute reference 05.12.00, which is after the Accounting Statements (Section 2) that were signed on the same day but under minute reference 05.11. The Authority has supplied the minutes from the meeting on the 10 May 2017 and minute reference 05.11 only relates to the Internal audit report and does not refer to the approval of Section 2.

The Accounts and Audit Regulations 2015 stipulate that the Annual Governance Statement must be considered, approved and signed before the Accounting statements at Section 2 by resolution of members of the authority meeting as a whole. This is explicit at sections 6(3) and 6(4) of the Regulations (Review of internal control system), where in particular, it states at 6(4)(a) that the Annual Governance Statement must be 'approved in advance of the relevant authority approving the statement of accounts ...' This is also reinforced in the 2016 Practitioners' Guide (at 1.43) which highlights mandatory 'proper practices' referred to in statute.

In future, the Authority must comply with statute and proper practices and ensure that the Annual Governance Statement is considered, approved and signed before the Accounting statements. This may be done at the same meeting as long as it is in the right order and the minute references make this clear.

In our view, as the Authority has not complied with the Accounts and Audit Regulations 2015 and the Local Audit and Accountability Act 2014 and the correct response to Assertion 1 on Section 1 of the Annual Return should be 'No'.

**This page is part of Section 3 - External auditor certificate and opinion 2016/17
Welbourn Parish Council
External Auditor Report for the year ended 31 March 2017**

Other matters not affecting our opinion which we wish to draw to the attention of the authority

Budgetary process

The Internal Auditor has ticked 'Not covered' to Objective D, *the precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate*, on the Annual internal audit report 2016/17 and brought to our attention that the budgetary process was not minuted. The Authority has confirmed that they do review the budget regularly, however, this is not explicitly recorded in the minutes.

In future the Authority should minute the discussion of the budget clearly and take appropriate action on all matters raised in reports from the Internal and External Auditor.
